“...a total upgrade of our Room Service delivery and display”
-Fabrizio Russo, Radison SAS Portman Hotel, London

The Self Service Stacker is a beautifully ergonomic tray. The angled sides provide an attractively profiled compact unit that can stack easily in large numbers, also removing the need for handles. The drop front makes this tray a perfect room service option.

Craster is the leading manufacturer of hardwood serving products for the hotel industry in the UK. Our products have been developed to survive for years in industrial hotel and restaurant environments. All Craster products are made from hand picked solid hardwoods and finished in best-of-breed Italian lacquers that are both moisture and heat (including cigarette burn) resistant. Our trays should not be placed in dishwashers, but simply wiped clean.
