34 Southern Row
London, W10 5AN

Craster is the leading manufacturer of hardwood serving products for the hotel industry in the UK. Our products have been developed to survive for years in industrial hotel and restaurant environments. All Craster products are made from hand picked solid hardwoods and finished in best-of-breed Italian lacquers that are both moisture and heat (including cigarette burn) resistant. Our trays should not be placed in dishwashers, but simply wiped clean.
